SPECIFICALLY DESIGNED FOR MOLDINGS AND STAIR SOLUTIONS

Our all-in-one stair treads are easily trimmed to fit and are 100% waterproof with durable dent and scratch resistance. With contemporary square-edge nosing and a mitered return for staircases with exposed edges, you can say goodbye to retrofitting and mismatching.

MOLDINGS DONE RIGHT THE FIRST TIME

A PERFECT FINISH EVERY TIME

Moldings and stair treads provide a clean finish that is mandatory for sophisticated flooring. Stronghold™ will do the job right.

EASY TUBE APPLICATION

Stronghold™ is easily applied with a caulking gun for a clean and precise installation free of residue and ghosting.

EXPLORE ALL OF THE URBAN ESSENTIALS™

Start to finish, the Urban Essentials™ line contains everything needed for the perfect flooring installation.
